

Over the past 65 years, SGH, Inc. has supplied the highest quality products and expert installation services to commercial builders throughout the Midwest. We are a leading distributor and installer of customized architectural products for the exterior and interior of buildings. From the initial idea to the final details, we have the resources to successfully execute projects of any size.

Our employees have an intricate knowledge of how the products perform and the best way to install them, which gives our staff the unique expertise our customers desire. We collaborate with owners, architects, and contractors to ensure that products look stunning from concept to completion.
